INFORMATION TECHNOLOGY PROFESSIONAL
MANAGER, WEB DEVELOPMENT

I am a highly skilled web developer with over 16 years of experience in all stages of the development cycle for web projects.

In addition to my technical expertise, I also have extensive experience managing teams of developers, ensuring that projects are completed on time, within budget, and to the highest quality standards.

As a passionate and dedicated employee, I have strong analytical, troubleshooting, and problem-solving skills, which enable me to identify and resolve issues quickly and effectively.
